

CCF Teacher Training

乐之教师培训

— Make Chinese lessons more engaging, and more effective

For School teachers	For Organisations & student care	For Aspiring Chinese teachers	Content Tailored to your needs
------------------------	--	----------------------------------	-----------------------------------

Training for teachers in schools and organisations, and for anyone who wants to teach Chinese, turning CCF's classroom experience into methods teachers can use right away.

01 What we cover

Drama-based teaching Stories, roles, voice and body turn class into a stage	Classroom games Clear-goal language games that are easy to run	Thematic planning A series of activities and a showcase around one theme
Teaching methods Goals, breaking down content, sequencing	Classroom management Routines, group work, positive encouragement	Chinese teaching techniques Vocabulary, sentences, reading and speaking

02 Why CCF Chinese

Since 2010 we have focused on children's Chinese, blending stories, games, drama and interaction. Training is adjusted to your school or organisation.
