

CCF Training for Teachers

乐之教师培训

— Make Chinese lessons more engaging, and more effective

For School teachers	For Organisations & student care	For Aspiring Chinese teachers	Content Tailored to your needs
------------------------	--	----------------------------------	-----------------------------------

Training for teachers in schools and organisations, and for anyone who wants to teach Chinese, turning CCF's classroom experience into methods teachers can use right away.

01 What we cover

Drama-based teaching Stories, role-play, voice and movement turn the classroom into a stage	Classroom games Simple language games with clear goals	Thematic planning A series of activities and a showcase around one theme
Teaching methods Setting goals, planning content, sequencing activities	Classroom management Routines, group work, positive encouragement	Chinese teaching techniques Vocabulary, sentences, reading and speaking

02 Why CCF Chinese

Since 2010 we have focused on children's Chinese, blending stories, games, drama and interaction. We tailor each training to your school or organisation.
